6:30pm

The Olive Scene is a unique tasting emporium of the world's finest Extra Virgin Olive Oils and Balsamic Vinegars located in Chagrin Falls. Their olive oils are carefully pressed for quality, not quantity so their flavor profiles and health benefits are exceptional. Their balsamic vinegars are barrel aged, with a wonderful balance of tart and sweet.

The evening will start with a sampling of their Bold and Mild Extra Virgin Olive Oil. Representatives from The Olive Scene will discuss the standards of olive oil and what makes theirs unique. They will then introduce dinner prepared by our own Chef Chuck Maneage showcasing some of their special products.
